Dear Ms Alexander,

Assessment for FC0039

I write to formally advise you that the assessment of your operation at the site given below in relation to the UK Wood Packaging Material Marking Programme (UKWPMMP) has been successful. I am pleased to enclose your certificate and to authorise you to use the ISPM15 mark at the site for the period to **28 February 2021**.

Site Assessed:
FC0039
Scott Pallets
East Dock
Burntisland
Fife
KY3 9BS

The UKWPMMP Secretariat will notify you at least a month in advance of your next assessment, however, it is your responsibility to ensure the assessment is completed by one of the approved assessment agencies before your certificate expires. Your next assessment can take place up to 1 month prior to your certificate expiry and if successful will be valid for 6 months from the expiry date of your current certificate.

If you have any queries or concerns, then please do not hesitate to contact us.

Yours sincerely

Jane Dreijers
UKWPMMP

United Kingdom Wood Packaging Material Marking Programme

for Wood Packaging Material Manufactured in Great Britain

This is to certify that

Scott Pallets

East Dock, Burntisland, Fife, KY3 9BS

(manufacturer name and address)

has undergone an assessment and demonstrated that wood packaging material manufactured on the premises described above can be produced using the approved measures described below and specified in the International Standard for Phytosanitary Measures No. 15 of 2018 on Guidelines for regulating wood packaging material in international trade, prepared by the Secretariat of the International Plant Protection Convention (IPPC). This certificate authorises the manufacturer to apply the ISPM No. 15 Mark in accordance with this certificate, including the Appendix, and the Plant Health (Wood Packaging Material Marking) (Forestry) (Great Britain) Order 2006.

Approved measure: **Heat Treatment**

Registration number: **FC0039**

Certificate valid until: **28 February 2021**
